IGM FINANCIAL INC. REPORTS FOURTH QUARTER AND 2013 EARNINGS

Winnipeg – February 14, 2014: IGM Financial Inc. (IGM or the Company) (TSX:IGM) today announced earnings results for the fourth quarter and for the year ended December 31, 2013.

Operating earnings available to common shareholders, excluding other items¹, for the three months ended December 31, 2013 were \$198.7 million or 79 cents per share compared to operating earnings available to common shareholders, excluding other items², of \$183.2 million or 72 cents per share in 2012.

Net earnings available to common shareholders for the three months ended December 31, 2013 were \$197.1 million or 78 cents per share compared to net earnings available to common shareholders of \$202.0 million or 80 cents per share for the comparative period in 2012.

Operating earnings available to common shareholders, excluding other items¹, for the year ended December 31, 2013 were \$763.5 million or \$3.02 per share compared to operating earnings available to common shareholders, excluding other items², of \$746.4 million or \$2.92 per share in 2012.

Net earnings available to common shareholders for the year ended December 31, 2013 were \$761.9 million or \$3.02 per share compared to net earnings available to common shareholders of \$758.8 million or \$2.97 per share in 2012.

Revenues for the three months ended December 31, 2013 were \$702.9 million compared to \$632.6 million in the comparative period in 2012. Revenues for the year ended December 31, 2013 were \$2.69 billion compared to \$2.58 billion a year ago. Expenses were \$449.4 million for the fourth quarter of 2013 compared to \$400.4 million a year ago and \$1.71 billion for the year ended December 31, 2013 compared to \$1.62 billion in 2012.

Total assets under management at December 31, 2013 were \$131.8 billion. This compared with total assets under management of \$120.7 billion at December 31, 2012.

¹ Other items for the three and twelve months ended December 31, 2013 of \$1.6 million consisted of a net charge of:

- An after-tax charge of \$10.6 million related to restructuring and other charges.
- An after-tax benefit of \$9.0 million representing the Company's proportionate share of net changes in Great-West Lifeco Inc.'s litigation provision.

² Other items for the three and twelve months ended December 31, 2012 of \$18.8 million and \$12.4 million, respectively, consisted of a net benefit of:

- A favourable change in income tax provision estimates of \$24.4 million related to certain tax filings.
- An after-tax charge of \$5.6 million representing the Company's proportionate share of net changes in Great-West Lifeco Inc.'s litigation provision.

Other items for the twelve months ended December 31, 2012 also included a non-cash income tax charge of \$6.4 million resulting from increases in Ontario corporate income tax rates and their effect on the deferred income tax liability related to indefinite life intangible assets arising from prior business acquisitions.

Shareholders' equity at December 31, 2013 was \$4.7 billion, compared to \$4.4 billion at December 31, 2012. Return on average common equity based on operating earnings for the year ended December 31, 2013 was 17.3%, unchanged from the comparative period in 2012.

INVESTORS GROUP OPERATIONS

“Mutual fund gross sales, up 19% over the same period last year, were the highest level of fourth quarter sales in the history of the company,” said Murray J. Taylor, President and Chief Executive Officer of Investors Group Inc. “Our Consultant Network increased to 4,673 in the fourth quarter from 4,518 in the same quarter last year based primarily on strong recruiting results.”

FORWARD-LOOKING STATEMENTS

Certain statements in this Release, other than statements of historical fact, are forward-looking statements based on certain assumptions and reflect IGM Financial's current expectations. Forward-looking statements are provided to assist the reader in understanding the Company's financial position and results of operations as at and for the periods ended on certain dates and to present information about management's current expectations and plans relating to the future. Readers are cautioned that such statements may not be appropriate for other purposes. These statements may include, without limitation, statements regarding the operations, business, financial condition, expected financial results, performance, prospects, opportunities, priorities, targets, goals, ongoing objectives, strategies and outlook of the Company, as well as the outlook for North American and international economies, for the current fiscal year and subsequent periods. Forward-looking statements include statements that are predictive in nature, depend upon or refer to future events or conditions, or include words such as "expects", "anticipates", "plans", "believes", "estimates", "seeks", "intends", "targets", "projects", "forecasts" or negative versions thereof and other similar expressions, or future or conditional verbs such as "may", "will", "should", "would" and "could".

This information is based upon certain material factors or assumptions that were applied in drawing a conclusion or making a forecast or projection as reflected in the forward-looking statements, including the perception of historical trends, current conditions and expected future developments, as well as other factors that are believed to be appropriate in the circumstances. While the Company considers these assumptions to be reasonable based on information currently available to management, they may prove to be incorrect.

By its nature, this information is subject to inherent risks and uncertainties that may be general or specific and which give rise to the possibility that expectations, forecasts, predictions, projections or conclusions will not prove to be accurate, that assumptions may not be correct and that objectives, strategic goals and priorities will not be achieved.

A variety of material factors, many of which are beyond the Company's and its subsidiaries' control, affect the operations, performance and results of the Company, and its subsidiaries, and their businesses, and could cause actual results to differ materially from current expectations of estimated or anticipated events or results. These factors include, but are not limited to: the impact or unanticipated impact of general economic, political and market factors in North America and internationally, interest and foreign exchange rates, global equity and capital markets, management of market liquidity and funding risks, changes in accounting policies and methods used to report financial condition (including uncertainties associated with critical accounting assumptions and estimates), the effect of applying future accounting changes, operational and reputational risks, business competition, technological change, changes in government regulations and legislation, changes in tax laws, unexpected judicial or regulatory proceedings, catastrophic events, the Company's ability to complete strategic transactions, integrate acquisitions and implement other growth strategies, and the Company's and its subsidiaries' success in anticipating and managing the foregoing factors.

The reader is cautioned that the foregoing list is not exhaustive of the factors that may affect any of the Company's forward-looking statements. The reader is also cautioned to consider these and other factors, uncertainties and potential events carefully and not place undue reliance on forward-looking statements.

Other than as specifically required by applicable Canadian law, the Company undertakes no obligation to update any forward-looking statements to reflect events or circumstances after the date on which such statements are made, or to reflect the occurrence of unanticipated events, whether as a result of new information, future events or results, or otherwise.

Additional information about the risks and uncertainties of the Company's business and material factors or assumptions on which information contained in forward-looking statements is based is provided in its disclosure materials filed with the securities regulatory authorities in Canada, available at www.sedar.com.

NON-IFRS FINANCIAL MEASURES AND ADDITIONAL IFRS MEASURES

This release contains non-IFRS financial measures and additional IFRS measures. Net earnings available to common shareholders, which is an additional measure in accordance with International Financial Reporting Standards (IFRS), may be subdivided into two components consisting of:

- *Operating earnings available to common shareholders; and*
- *Other items, which include the after-tax impact of any item that management considers to be of a non-recurring nature or that could make the period-over-period comparison of results from operations less meaningful.*

Terms by which non-IFRS financial measures are identified include but are not limited to “operating earnings available to common shareholders”, “operating earnings per share”, “operating return on average common equity” and other similar expressions used to provide management and investors with additional measures to assess earnings performance. However, non-IFRS financial measures do not have standard meanings prescribed by IFRS and are not directly comparable to similar measures used by other companies. Please refer to the attached Financial Highlights for the appropriate reconciliations of these non-IFRS financial measures to measures prescribed by IFRS.

Terms by which additional IFRS measures are identified include “earnings before income taxes and discontinued operations”, “net earnings from continuing operations” and “net earnings available to common shareholders”. Additional IFRS measures are used to provide management and investors with additional measures to assess earnings performance. These measures are considered additional IFRS measures as they are in addition to the minimum line items required by IFRS and are relevant to an understanding of the entity's financial performance.

The Consolidated Financial Statements and Management's Discussion and Analysis (MD&A) of operating results are available on IGM Financial Inc.'s website at www.igmfinancial.com.

⁽¹⁾ Non-IFRS Financial Measures:

2013 operating earnings excluded:

- An after-tax charge of \$10.6 million related to restructuring and other charges.
- An after-tax benefit of \$9.0 million, recorded in the fourth quarter, representing the Company's proportionate share of net changes in Great-West Lifeco Inc.'s litigation provisions.

2012 operating earnings excluded:

- A favourable change in income tax provision estimates of \$24.4 million, recorded in the fourth quarter, related to certain tax filings.
- An after-tax charge of \$5.6 million, recorded in the fourth quarter, representing the Company's proportionate share of net changes in Great-West Lifeco Inc.'s litigation provisions.
- A non-cash income tax charge of \$6.4 million, recorded in the second quarter, resulting from increases in Ontario corporate income tax rates and their effect on the deferred income tax liability related to indefinite life intangible assets arising from prior business acquisitions. There is no expectation that the deferred tax liability will become payable as the Company has no intention of disposing of these assets.
