IGM Financial Named One of Canada's Top 100 Employers by Mediacorp Canada

WINNIPEG, MB – November 17, 2026 – IGM Financial Inc. (IGM) (TSX: IGM) today announced it has been named one of Canada's Top 100 Employers by Mediacorp Canada Inc. for the sixth consecutive year. The annual ranking recognizes the top 100 Canadian employers that provide exceptional workplaces for their employees.

IGM's achievement comes during a milestone year, as IG Wealth Management celebrates 100 years of helping Canadians achieve their financial goals and Mackenzie Investments builds on its strong track record as a leading Canadian global asset manager.

"Being recognized as one of Canada's Top 100 Employers is a tremendous reflection of our people and the culture we've built together," said Damon Murchison, President and CEO, IGM Financial and IG Wealth Management. "Their talent, commitment and shared sense of purpose make IGM a place where employees can do meaningful work, continue to grow and help us deliver better financial outcomes for Canadians."

One of the areas the company has focused on is providing employees with opportunities for continuous learning to help them build the skills they need today and in the future. This includes leadership development and access to more than 100,000 learning resources. Further, through the IGM AI Academy, employees can access structured learning pathways, accreditation, formal training and hands-on opportunities that connect AI learning with their roles and business priorities.

IGM has also committed to supporting the broader communities where its employees and advisors live and work. Through initiatives such as the annual IGM Giving Campaign, the IG Walk for Alzheimer's, and the Mackenzie Investments Charitable Foundation, employees and advisors are empowered to volunteer, raise funds and support charitable organizations across Canada.

"Our culture is grounded in collaboration, accountability and a commitment to shared success," said Cynthia Currie, Executive Vice-President and Chief Human Resources Officer, IGM Financial. "We want our people to feel connected to our culture, supported in their development and empowered to contribute in ways that create value for our clients, stakeholders and our business."
